BUILDING SUPPLY OFFICER, 1065, J. Bldg.

11 January 1957

[REDACTED]
Room 567 - 1717 N. Street

1 1

7510-005-
1019

Folder, file, pressboard, legal, metal tab, 1/3 cut, slot punched in 1st and 34 positions, linen "W" type expansion cassette -34 position 50

These folders are needed because the frequent reference requirements of the file would necessitate replacement of the standard 11-point folders during the active life of the records.

AMO, Records Management Staff
